Capacity Crowd Sees Delight Take Prescott 47-46

— Hope Star photos
There was action aplenty as 1,400 or more fans saw Delight edge Prescott 47 to 46 in a tense packed game at Prescott last night. In the top picture No. 99, M. Calhoun of Prescott is taking the ball downcourt, trailed by teammates No. 25, Smith and No. 88, Hooks while the entire Delight team of No. 7, Hughes, 11 Walker, 5 McKinnon and 10 Faulkner, get ready to defend.

In the middle picture Delight's Claude Walker (11) is shooting despite the guarding of No. 10, Purdie of Prescott. Prescott's (99) Calhoun, (25) Smith and (88) Hooks watch the shot.

In the bottom picture Prescott's M. Calhoun (99) passes the ball to Purdie (10) with Prescott's Smith standing in the background. No. 5, McKinnon is guarding Calhoun and No. 11, C. Walker makes a try for the ball. In the far background, No. 7, Hughes watches.

Snowstorms Push Across New England

By United Press
An East Coast storm pushed northward across New York state, New England and into southern Canada today, poised to dump up to 10 inches of snow.

Snowstorms of blizzard proportions in the Southwest moderated as temperatures climbed, out in the South Plains of Texas two airmen were operating to help storm-bound families.

The rest of the nation enjoyed clear skies and moderate winter temperatures except for scattered rain showers in Arizona and along

Moses Tells of Aid From Mid-south

LITTLE ROCK (AP) — Board Chairman C. Hamilton Moses of Arkansas Power & Light Co., today said the utility's parent firm, Middle South Utilities, has "helped us materially in selling Arkansas and Arkansas securities."

Moses took the stand as a recall witness in AP&L's hearing before the state Public Service Commission on the power company's bid for an annual rate increase of \$5,200,000.

The "integrated system" of Middle South Utilities is "an operating and development natural,"

ARKANSAS INFANT KILLED

THAYER, Mo. (AP) — A blowout sent the car of an Arkansas family out of control on a curve near this southern Missouri town Sunday night, killing two-month-old Linda Diana Jenkins.

The infant was the daughter of Mr. and Mrs. Albert Jenkins of Trumann, Ark., who suffered cuts and bruises along with a two-year-old son, Donald. The parents and their son were treated by a physician at Mammoth Springs, Ark.

The Missouri Highway Patrol reported the car overturned twice after the right rear tire blew out on a curve 2½ miles north of here on Highway 63.

Sunshine, Warmer Weather Promised

By The Associated Press
A full day of sunshine, the first in Arkansas in about two weeks, and warmer temperatures were promised today by the U. S. Weather Bureau at Little Rock.

The forecast called for fair skies and warmer temperatures, with further cloudiness not expected until tonight. Generally gray skies are expected over Arkansas tomorrow with occasional rain late in the day.

The milder temperatures, forecast in the 50s today were expected to continue until about Saturday with more rain expected over the weekend.

The mercury dropped to 24 degrees at Fayetteville at Flippin in northwest Arkansas last night and ranged up to 30 degrees at Texarkana in southwest Arkansas. Tonight's low temperatures are forecast mostly for the 30s.

Landslide Knocks Train Off of Rail

WEST NEWTON, Pa. (AP) — A rain-sodden hillside struck and derailed a Baltimore & Ohio Railroad passenger train moving at an estimated 45 miles an hour early today.

One car was overturned, two other tilted and three more derailed within a few feet of the surging Youghiogheny River. The diesel engine and two cars remained upright on the tracks.

Only one passenger of the more than 100 aboard the train required hospitalization. He was detained at McKeesport Hospital for treatment of possible back and neck injuries. The railroad said he was James S. Stern of Pittsburgh.

"There was no warning of the landslide," a B & O. official said. He said normal speed for passenger trains in the area was 45 m.p.h.

Train No. 18, eastbound from Cleveland to Baltimore, was rolling through hilly country about 30 when the accident occurred at 1:25 a.m.

"Recently heavy rains apparently caused the landslide that sent tons of rock crashing down the hill," the railroad said.

Reeks slammed into the second car behind the engine with what a B&O spokesman called a "pushing force." Engineer J. E. Hinsh of Pittsburgh braked the train to stop as cars behind him rattled off the rails.

Negro Student Exiled, Riots Abandoned

TUSCALOOSA, Ala. (AP) — The angry mobs which exploded into numerous acts of violence yesterday to win exclusion of a Negro student from the University of Alabama classes were missing today as the school went quietly about its business.

Many Alabama state highway patrolmen were about the campus with nothing to do as news spread that the University Board of Trustees had excluded Autherine Lucy, 20-year-old Birmingham secretary.

"Until further notice," Miss Lucy did not appear on the campus this morning. Her 9 a.m. class met without incident. A spokesman for her said her future plans were uncertain.

She was admitted to school last week under a federal court order. Disturbances began Friday night, some 12 hours after she attended her first class. Miss Lucy is the first of her race to enter the 125-year-old school.

The disturbances culminated in a wild day of shouting, singing, marching mobs yesterday before the board action was announced. Police used tear gas in attempting to break up the massed demonstrators.

Dr. Nettleship Out at University

LITTLE ROCK (AP) — Dr. Anderson Nettleship will be removed July 1 as head of the department of Pathology at the University of Arkansas Medical School, Dr. Douglas Lawerson, provost of the school, said today.

The change automatically will remove Dr. Nettleship from the post of state medical examiner, which under Arkansas law is filled by the head of the University Pathology Department.

Dr. Nettleship said he would request a hearing before the university Board of Trustees "because no reason has been given orally or in writing for my dismissal."

There was no indication from school officials of Dr. Nettleship's successor.

Gas Bill Gets Past Senate by Vote of 53-38

By MARION BURSON
WASHINGTON (AP) — A bill to free natural gas producers from direct federal price controls was passed by the Senate last night 53-38 and sent to President Eisenhower.

Both backers and opponents, in the three weeks of Senate debate which preceded the vote, predicted Eisenhower would sign the bill into law.

Opponents said that would bring a sharp rise in householders' gas bills. The bill's chief Senate sponsors, conceding there might be some slight increase, said the long-term effect would be beneficial. They argued that removal of federal regulation would stimulate a more adequate supply of gas.

All efforts to change the bill were beaten down by margins similar to that on final passage. The Senate then accepted a version which the House had approved 209-203 last year in place of the one drafted by its own Commerce Committee.

That action by passed another test in the closely divided House.

On the final Senate test, 31 Republicans and 22 Democrats voted for the bill. Opposing it were 14 Republicans and 24 Democrats.

The vote came at the end of a 10½-hour Senate session.

A disclosure by Sen. Krane Case (R-SD) that he had rejected a preferred \$2,500 campaign contribution, which he said seemed to be intended to sway him for the bill, apparently had little effect on the final tally. Case, as he had said he would do, voted against the bill.

John M. Neff of Lexington, Neb., insisted there were "no strings attached" to his offer of the money to Case.

With the bill itself out of the way, Senate leaders arranged to pass today for a bipartisan investigation into circumstances of the incident.

Allotments for Cotton February 15

The State ASC Committee has set February 15, as the final date for farm operators to file their requests for New Cotton Grower Allotments with the Committee.

A new cotton farm is defined as a farm on which no cotton has been planted during the past three years. In other words, if a farmer has not planted cotton on his farm in 1953, 1954 or 1955, it will be necessary for him to file a request for a new grower allotment by February 15 of this month, that is if he plans to plant cotton on his farm in 1956.

The State Committee has also set February 15 as the final date for farmers to file requests for new Grower Peanut Allotments. A farmer who has not planted peanuts for picking or thrashing during the three years is considered a new grower and should file his request for a new farm acreage allotment at the County ASC Office by no later than February 15, 1956.

Additional information may be obtained at the county office.

Algeria Meets Banned, Way to End Riots Sought

BY PRESTON GROVER
ALGIERS (AP) — The local governor banned all public gatherings in Algiers today as Premier Guy Mollet began talks with indignant French colonists opposing concessions to Moslem Nationalists.

Starting his search for peace in France's guerrilla-torn North African territory, Mollet first received representatives of war veteran groups. Their rioting on his arrival yesterday made clear they want the bloody 15-month-old rebellion put down sternly and no relaxation of French dominance in the area.

Already the colonists had hanged the Socialist premier, a stinging defeat. Their violent demonstration forced him within two hours of his arrival to accept the resignation of Gen. Georges Catroux from the special Cabinet post Mollet created a week ago for Algeria. Catroux, due here Friday to take up his post, was the demonstrators' chief target.

The veterans, through a "committee of public safety" they formed, called for reorganization of the French army along guerrilla lines. They demanded that France use all means to stop alleged Egyptian and Libyan aid of the Nationalist rebels, that French sovereignty be maintained in Algeria and that Mollet drop any idea of a single representative Algerian Assembly in which the eight million Moslems would outvote the country's million Europeans.

Such an assembly was a key point in the ideas for Algerian peace advanced by Mollet during the recent French election campaign.

At least 30 persons were injured in yesterday's riots. Algiers was quiet today but a demonstration by 5,000 persons was reported at Constantine, about 200 miles to the east.

Veterans said after their talk with the Premier that he had assured them France would never abandon Algeria and that the French army would take the offensive if necessary to end terrorism. Mollet made no comment.

One Arab representative said he had told the Premier the Algerian insurrection is not just a rebellion but a "real revolution of the people."

Thousands of angry colonists hurled rotten fruit and stones in a wild demonstration when Mollet arrived. More than a score of persons were injured.

Mansure Resigns Amidst Investigation

BY FRED S. HOFFMAN
WASHINGTON (AP) — Edmund F. Mansure has quit as general services chief in the midst of congressional and administration investigations of his official conduct.

Mansure's resignation—effective on or about next Friday—was announced by the White House late yesterday.

To replace Mansure, President Eisenhower appointed Franklin G. Floete as acting general services administrator pending Floete's formal nomination to head the government's vast housekeeping operations.

Attempt to Involve School Board Ousted

WALNUT RIDGE, (AP) — An attempt by pro-segregationists to convict the Hoxie School Board of illegal employment and purchasing practices has failed, at least temporarily.

Chancellor Thomas F. Butt of Fayetteville ruled last night, following a special night session of his hearing of the suit, that the board is technically violating state law by hiring the wives of two members as teachers. Butt rejected the complaint's demand that salaries paid to the two women be refunded to the district.

Judge Butt held that Mrs. Edgar Howell and Mrs. L. L. Cochran had rendered full service as teachers, and were paid at the same rate as other teachers of similar qualifications.

The chancellor, who heard the case on an exchange of circuit with Chancellor P. S. Cunningham, also ruled that the board violated law in hiring the wife of a member as a teacher.

Butt also ruled that the board was in buying supplies from a company owned by the father of a fourth board member.

WEATHER FORECAST

Arkansas Fair warmer this afternoon, increasing cloudiness warmer tonight. Wednesday mostly cloudy, mild with occasional rain late Wednesday.

Soviet Pact Is Propaganda, Dulles Declares

By HOWARD HANDEMAN
Chief Washington Diplomat
WASHINGTON (AP) — Secretary of State John Foster Dulles declared today that the second Soviet offer of a friendship pact was propaganda and said the United States is in no hurry to answer it.

He made it abundantly clear in a news conference that the U. S. will reject the second proposal of Soviet Premier Nikolai A. Bulganin by saying that the U. S. position was well set forth in President Eisenhower's answer to the first Bulgarian letter.

The secretary also indicated the U. S. will reject the Russian protest against the flight of American balloons over the Iron Curtain, saying photographic and scientific equipment to study weather and wind conditions is the upper air.

He said that although international law is not clear on the legality of these weather balloons, the U. S. Alaska, and Hawaii has shown that the balloons fly so high that they do not interfere with any normal air transport.

Dulles denied that the balloons were used to gather military data and said that any photographs or ground installations would be of great aid.

He also said that the information obtained through observation made from the balloons would be made available to all countries, including the Russians.

The information desired, he said, was about the high velocity "streams" in the upper air above an altitude of 30,000 feet.

Dulles pointed out that there is no danger that the balloons are being directed to these jet streams affect climate and other conditions on earth and that the information being gathered is of great importance to all countries.

Senate Gives Nod to Full Investigation

WASHINGTON (AP) — The Senate today created a special committee to investigate the offer of a \$250 campaign contribution to Sen. Case (R-SD) during the gas bill fight. But Democrats on the Senate elections subcommittee jumped the gun and summoned Case to a public hearing this afternoon.

On a 90-0 vote, with Case among those voting, the Senate adopted a resolution by Democratic Leader Lyndon B. Johnson (Tex.) for an investigation by a special four-member committee.

But within an hour, an announcement came from the Elections subcommittee, headed by Sen. Hennings (D-Mo.) that Case would be heard by this group.

The announcement was a surprise since the subcommittee had met briefly behind closed doors in the forenoon, and Hennings had announced after that meeting that no decisions had been made.

he said.

Middle South is the holding company for AP&L and three other utilities, Mississippi Power & Light Co., Louisiana Power & Light Co., and New Orleans Public Service Co.

"These companies were engineered and planned and constructed largely as one operation so that each company and each operation could help the economies of the others," Moses said. "We fit into the supplement each other. Our integrated system is more efficient and economic than any isolated operation."

In previous testimony, opponents of AP&L's proposed rate increase have charged that AP&L paid the income tax on common stock dividends paid to Middle South.

Moses defended the relationship between AP&L and Middle South as an advantage to Arkansas electric customers.

A New York rate expert testified yesterday that if AP&L is allowed to increase its rates by the requested \$5,200,000 a year, it still would earn only 5.8 per cent annually on its capital investment.

The rate expert, M. J. Reis, said that the utility would make a return of 4.7 per cent on its present rate schedule.

PSC Authority Questioned by Companies

LITTLE ROCK (AP) — The state Public Service Commission's authority to allow a public utility to collect "indefinite" rate increases under bond was challenged yesterday in the Arkansas Supreme Court.

Attorneys for the PSC and two companies, Lion Oil Division of Monsanto Chemical Co., and International Paper Co., argued the case before the court.

At issue is a clause in a temporary rate schedule filed by Arkansas Louisiana Gas Co., last spring. The clause allowed the industrial rate for natural gas to fluctuate according to the wellhead prices Arkansas Louisiana paid for gas, and taxes, assessed against the firm.

Involved is about \$1,000 a day for Lion and \$500 a day for international which they paid Arkansas Louisiana between April 15 and Nov. 3, 1955.

The two companies contended that the PSC should have forced Arkansas Louisiana to file a new cash bond.

Neil Hobson, Attorney at law, dismissed on motion. Prosecuting attorney.

But the market as a whole was mixed in fairly active trading. Most gains and losses ranged from fractions to around a point.

In the over-the-counter market, Ford Motor stock was quoted at a new low of 63 bid. The original offering price on the stock was 64½.

NEW YORK STOCKS

NEW YORK (AP) — Passage of the natural gas bill upped prices moderately among natural gas and pipeline issues on the Stock Market in early afternoon today.

But the market as a whole was mixed in fairly active trading. Most gains and losses ranged from fractions to around a point.

Snow Storms

Continued from Page One

The northern Pacific Coast.

The Eastern storm front trailed heavy snow as it moved north.

Phillipsburg, Pa., reported more than six inches of new snow in a six-hour period.

At Montreal, Canada, the Canadian Weather Bureau issued a heavy snowfall warning.

The storm moving north across southern Ontario and near New York state was expected to bring from six to 10 inches of snow to the area, forecasters said.

Snow fell so heavily last night near Montreal that a nine-mile, 15-minute auto trip took one driver 35 minutes.

Southern Michigan also felt the strength of the storm. Ice tied up traffic and created hazards for motorists.

This Vacation Was Something

TRAVERSE CITY, Mich. (AP) — A five-week vacation to Mexico was charged off to day by the Cloyd Taylor family as virtually a total loss.

Two days after setting out, the family's youngest boy developed chicken pox. He was left with relatives.

In Arizona, every connecting rod in the car burned out and the crankshaft was ruined. So Taylor bought a new car.

He had his fishing tackle along, but streams were in flood. In Mexico temperatures dropped to a frigid 11 above zero, and the family shivered.

When he got home Taylor found his camera shutter had been stuck open all the time and there wasn't a single good picture among the \$50 worth of color film he had bought.

ARKANSAS GIRL WINS \$1,000 LION OIL SCHOLARSHIP

15 Other Awards in Arkansas, Louisiana

EL DORADO, ARK., FEB. 7.—Julia Ann O'Daniel, 17-year-old senior at Waldo High School, Waldo, Ark., is the winner of a \$1,000 college scholarship in the second Lion Oil Student Essay Contest of the 1955-56 school year. Essays were on the subject, "Why I'm Glad To Be An American."

Julia Ann's parents are Mr. and Mrs. J. E. O'Daniel of Waldo. Mr. O'Daniel saw a Lion Oil scholarship advertisement, and urged his daughter to enter the contest. Julia Ann was also encouraged by her teacher-sponsor, Mrs. Alvin Fuller, to submit an entry. Julia Ann had never before entered a Lion Oil scholarship contest, but her first entry earned her a top award. She wrote her winning essay during a period of three days, revising it four times.

The winner is a straight "A" student, president of the student council and co-editor of the school newspaper. She wants to major in Speech and Drama at College. Julia Ann's favorite subjects in school are English and Speech. Her hobbies are sewing and music.

Mrs. Fuller, as Julia Ann's teacher-sponsor, received a \$200 cash award. She teaches English, social sciences and history. This year she is using the Lion Oil Essay Contests as class projects, and has sponsored approximately 30 entries in the Lion Oil Contests this year. She plans to spend her \$200 on her son's education when he leaves the Air Force.

Allen J. Fincher, superintendent at Waldo High School, received \$100 to be used for the purchase of books for the school library.

Tennessee Girl Is Winner

Barbara Short, 16-year-old sophomore at Franklin High

Julie Ann O'Daniel

School, Franklin, Tenn., is the winner of a \$1,000 Lion Oil College Scholarship in Zone "B." She is undecided about where she will attend college, but has to major in Journalism and art.

Mississippi Boy Wins

James (Jimmy) Edward McDonald, 15-year-old sophomore at East Neshoba High School, Philadelphia, Miss., won a \$1,000 Lion Oil College Scholarship in Zone "C." Jimmy plans to enter an engineering college, and wants to be in the construction business after graduation.

Merit Award-Winners—Zone "A"

Winners of \$25 Merit Awards in Zone "A": Mike Bass, Benton High School; Linda Collins, Alpena High School; Betsy Jones, Fairview School (Camden); Godwin Newcome, Winthrop High School; Margaret Bittick, Blevins High School; Shirley Colvard, Glenmora High School (Glenmora, La.); Louise Crutcher, Oil Trough High School; Mamie Anne

Dudley, Ashdown High School; Tommy L. Garrett, Jr., El Dorado High School; Bob Hamilton, Texas Avenue Junior High School (Texarkana, Tex.); Martha Harrison, T. A. Futrell High School (Marianna); Carla Jeanne Henrickson, Nemo Vista School (Center Ridge); Barbara Jackson, Marvell High School; Nancy Ann Stevens, Murfreesboro High School; Irene Young, DeQueen High School. (All are in the State of Arkansas, except as noted.)

Judges of the contest were: Chairman, Dr. Dolph Camp, Pres. of Southern State College, Dr. Frank Irwin, Dr. Walter Breyman, and Dr. Harrison Hale, all from Southern State College, Magnolia, Arkansas.

3rd Student Contest Ending

The third Lion Oil Student Essay Contest of the 1955-56 season has already started and closes March 16. The essay subject is "What I Want From Education."

Awards include three \$1,000 scholarships; 45 Merit Awards of \$25 each; and \$100 cash prizes to scholarship winners' schools. Teacher-sponsors of winners also share in prizes. For details, write the Lion Oil Scholarship Fund, El Dorado, Arkansas.

Teacher Contest Still Open

Lawson—Moses
Wedding Held
January 28

In an impressively beautiful ceremony held in Temple Baptist Church on January 28, at four o'clock in the afternoon, Miss Jan Moses, daughter of Mr. and Mrs. Joseph Perry Moses of Hope became the bride of Mr. Roger Pearce Lawson of Ruston, son of Mr. and Mrs. R. W. Lawson.

Dr. J. C. Murphy performed the ceremony in the presence of the immediate families of the couple.

The altar was centered with an exquisite arrangement of crystal white gladioli, stock and feverfew. Maidenhair fern added the soft green foliage. On either side were tall pyramid candelabra burning

white tapers and casting a soft glow over the scene. The family pews were marked with white satin love knots and stock.

Mrs. Roy Stedman at the organ rendered the nuptial music including, "Romance" by Chopin. While the candles were being lighted by Larry Moses, brother of the bride, Mrs. Stedman played "Leibers-traum" by List.

The bride, given in marriage by her father, entered to the strains of Lohengren's wedding march by Wagner. She was radiantly lovely in her wedding gown of heavenly blue nylon lace over tissue silk tulle. Made with an elongated bodice, the gown was shirred softly to the extremely bouffant ballerina length skirt. The neckline came to a low V and the sleeves were elbow length. Blue lace mitts completed her gown. On her dark hair was placed a bandeau of matching blue lace with tiny flowers and veiling. Her flowers were purple throat orchids.

Mrs. Moses, mother of the bride was attired in a suit of navy blue with powder blue blouse, hat and gloves. Her shoulder corsage was of feathered white carnations.

The groom's mother, Mrs. R. W. Lawson, chose for the occasion a suit of navy and white figured silk with white linen collar and cuffs. Her hat was a small white pillbox with rhinestone trim. She also wore a white carnation corsage.

Immediately following the ceremony the couple left on their wedding trip to Hot Springs.

For her going away costume, the bride chose a black velvet suit with pencil slim skirt and fitted jacket. Her small hat was of starched white lace. She wore black accessories and white shorty gloves.

es. A silk faille duster coat of periwinkle blue completed her ensemble, and she wore the orchid from her bridal corsage.

After their honeymoon the couple will be at home at 400 East Arizona in Ruston where both will continue their studies at Louisiana Tech.

**PUBLIC VOTES MERCURY
"BEST VALUE IN ITS FIELD"**

19th annual nationwide survey of car owners—by independent research organization*—shows Mercury leads its price class as "best value for the money." Whether you pick a Montclair, Monterey, or Custom, you get more car in four big ways!

- 1. NEW REFLEX-ACTION PERFORMANCE**—Go, stop, pass, climb, turn. THE BIG M responds instantly to your every command, adjusts instantly to every road. We call it "reflex action"—a new kind of performance that makes all your driving easier, safer—and far more comfortable.
- 2. NEW BIG M BEAUTY**—Here is fresh, clean, graceful beauty for the young-minded. Mercury's lines are long, sleek, road-hugging. New Flo-Tone color styling is radiant and dramatic. You enjoy a distinction in THE BIG M that is unmatched in Mercury's price class.
- 3. NEW SAFETY-FIRST DESIGN**—You got the widest choice of safety features in the field. At no extra cost, there's an impact-absorbing safety steering wheel (an exclusive in Mercury's field) and triple-strength safety door locks. Such features as seat belts and padded instrument panel, optional.
- 4. PROVABLE VALUE**—Here's value you can see, and measure! Low first cost. Low operating costs. And high resale value. Remember, over the years Mercury trade-in value has remained consistently high. No wonder Mercury was voted "best value in its field." Better see us soon.

For 1956...the big move is to **THE BIG MERCURY**

Oakgrove News

In spite of the weather Sunday,
an appreciative crowd met at
Oak Grove Baptist church and had
splendid services. Three members
of the faculty of the Training
School were present and took an
active part in the Sunday School.
Miss Mitchell, Mrs. Duffie and
Mrs. Smith, Miss Mitchell, pianist,
and the choir rendered very fine
music for the morning worship.

The third Sunday at eleven o'-
clock will be "Insurance Day," at
which time we will raise funds to
pay our church insurance. Every-
one is invited to assist in this wor-
thy cause. Rev. E. N. Glover, pas-
tor.

Coming And Going

Mrs. Mable Washington of Wash-
ington, D. C. arrived Sunday Jan-
uary 29 to be at the bedside of her
father, Mr. Jake Stuart of Me-
Caskill, Ark., who is very ill.

Mrs. Fannie B. Buchanan left
Saturday night February 4 for
Cleveland, Ohio. It is possible that
Mrs. Buchanan will enter a hospi-
tal there.

Friends will be happy to know
that she made the trip fine. Her
husband received a call from her
Sunday night.

Middlecoff Rakes in Golf Money

By HAROLD V. RATLIFF
DALLAS (AP)—Cary Middlecoff,
hottest golfer along the winter
trail, goes home to Memphis today
to work up his income tax return.
finish writing a book and follow a
procedure that has put him at the
top of his game.

Middlecoff, who became a pro-
fessional in 1947 and since then has
won \$300,000 in prize money, got
around to this plan only last year.
It consisted of playing two tourna-
ments, then taking out for two.
He says he found it helped his golf
game immeasurably.
Hubert Reed scoring 35. And Iowa
(No. 17) the Big Ten runner-up,
outlasted Wisconsin 78-74.

Delight Takes Prescott; Hope B Team Wins

Basketball play in this area last
night was highlighted by the Pres-
cott Delight contest which was won
by Delight by a single point, 47 to
46.

On the local scene the Hope "B"
team had very little trouble turning
back Guernsey 74 to 37. Tonight
both Senior boys and girls teams of
Hope will go to Nashville for a dou-
bleheader.

Tough Decision

Prescott dropped a tough deci-
sion to Delight. Leading by eight
points with only four minutes left
the Wolves couldn't cope with the
aroused Delight team which steady-
ly pulled even and then won the
game. Prescott's Hooks tossed in a
basket as the whistle sounded on-
ly a second too late and it didn't
count.

It was by far the largest crowd
ever to see a game in Prescott.
Some 1,400 persons were packed
into the Wolves' gymnasium
which has a capacity of 1,200.

C. Walker made 10 for Delight,
Hughes, 14 and McKinnon 9. For
Prescott Purdie made 15, Smith
11, Forby and Hooks six each and
Calhoun 8. In the preliminary game
Delight's girls beat Prescott 43 to
23.

Nevada Tourney

Over at Emmet tonight the Ne-
vada County tournament will get un-
derway with four games schedul-
ed:

6 p. m. Cale-Prescott Junior
girls.

7 p. m. Willisville vs. Bodcaw
Junior boys.

8 p. m. Prescott vs. Bodcaw

Hogs Need All Wins to Stay in Title Race

FAYETTEVILLE, (AP)—Ar-
kansas Razorbacks resume their
struggle for the Southwest Con-
ference basketball championship
against the Baylor Bears here to-
night, and the Porkers must win
to keep alive their title aspira-
tions.

The Porkers now trail undefeat-
ed Southern Methodist a full game
in conference competition, by vir-
tue of last Saturday night's loss to
the Ponies, and another league de-
feat virtually would eliminate Ar-
kansas from championship con-
sideration.

Arkansas is second place with a
5-1 league record against SMU's
6-0 mark. Baylor already is out
of the running, but the Bears have
split even with Arkansas in two
games this season. Baylor defeat-
ed Razorback 67-63 in the league's
holiday tourney — which doesn't
count in competition for the cham-
pionship—but lost to the Porkers
65-64 in the teams' only conference
meeting.

SMU plays Texas tonight, and
the unlikely combination of an Ar-
kansas victory and a SMU loss
would throw the race back into
a tie.

The defeat which SMU dealt to
Arkansas was the Razorbacks' first
in seven games, and left their
overall record at seven victories
against 9 defeats. Baylor has a
4-14 record for the season.

Gavilan to Fight
Britisher Tonight

LONDON (AP)—A 21-year-old
Briton who quit his job in an an-
tique dealer's shop to become a
fighter steps into the ring tonight
against former world welterweight
champion Kid Gavilan.

This is the make-or-break fight
in the career of unbeaten welter-
weight Peter Waterman, who
will match his youth and strength
against the experience of the cru-
el Cuban veteran.

Many experts here think Gavilan
is past his prime and that
Waterman must win if he is to
climb up the world ladder.

Although he no longer even rated
among the first 10 in the world
welterweight ranks, Gavilan was
installed a 3-2 favorite.

"I don't think much of Water-
man's chances," shrugged the 30-
year-old Gavilan.

Waterman has fought 31 pro-
fights. He has 26 knockouts to his
credit.

Spring Hill to Host County Cage Tourney

The Spring Hill School and Com-
munity will be hosts to the Hem-
pstead County Basketball Tourna-
ment starting Thursday, February
9, at 7 p. m.

The tournament will include Jun-
ior boys and senior boys and girls.

The Junior boy Champions will
be awarded a trophy, and trophies
will be awarded to the champions
and runners-up in both the Senior
boys and Senior girls division.

The tournament will open Thurs-
day at 7 p. m. with Saratoga
Junior boys meeting Spring Hill
Junior boys. The second game will
find Guernsey Senior girls pitted
against Spring Hill Senior girls.

The third and final game opening
night will find Guernsey boys vs.
Spring Hill Senior boys.

The second session will start at
7 o'clock Friday night with Saratoga
Senior girls meeting Hope Sen-
ior girls. Blevins Senior boys vs.
Hope Senior boys in the second
game. The third game of the night
will find the winner of the Guern-
sey and Spring Hill Senior boys
game meeting Saratoga Senior
boys in a semi-final game.

The two remaining semifinal
games will be played Saturday morn-
ing starting at 10 o'clock. The first
game will be between Guernsey
Junior boys and Blevins Junior
boys. The second game will find
the winner of the Guernsey, Spring
Hill Senior girls playing Blevins
Senior girls.

The final session at 7 p. m. Satur-
day will be the finals in each
division.

The first game will be the Jun-
ior boys Championship game.

The second game will be the Se-
nior girls championship game.

The third game will be the Se-
nior boys Championship game.

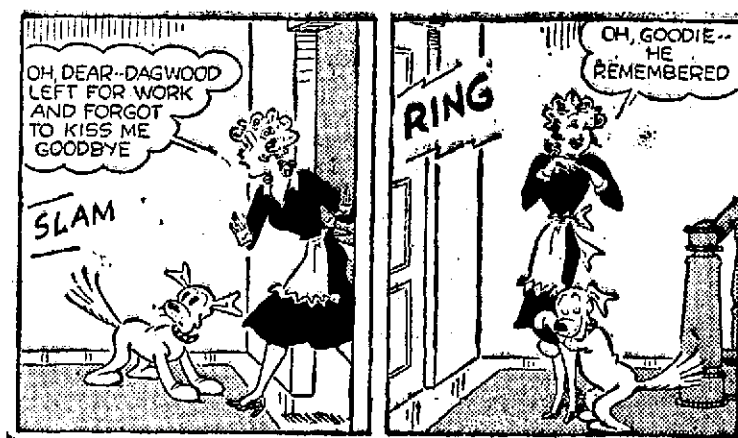

Hot dogs, drinks and popcorn will
be sold at the concession stand.

The admission to each session
except the final session will be 20c
and 35c. The final session 25c
and 50c.

The referees for the tournament
will be Andy Caldwell and Olan
Reeves.

Las Vegas Profitable to Entertainers

Editor's Note:

Despite some faltering in its economy, Las Vegas still pours out more gold to entertainers than has any place in the history of entertainment in this modern El Dorado, analyzes the types of stars who succeed and fail there and reviews the possibilities of achieving more realistic salaries.

By BOB THOMAS

LAS VEGAS, Nev. (AP)—On Oct. 1, 1941, the El Rancho Vegas opened its doors to the public. Entertainment was provided by a seven-piece orchestra which was paid \$750 a week.

On April 20, 1955, the Hotel Riviera premiered with Liberace and Brother George heading the show. Their salary: \$45,000 a week.

These two events marked the beginning and the peak of the greatest bonanza in the history of live entertainment. No show place on earth—not even Broadway in the roaring '20s—has so richly rewarded entertainers. Last year between 18 and 20 million dollars were paid for talent at the night

clubs along the glittering Las Vegas strip.

The boom did not happen overnight. Only the most visionary could have anticipated the future in those early days in the '40s. Among the acts that played El Rancho were Frank Fay and Anen Nigro at \$800 a week, an entire revue starring Maxie Rosenbloom at \$1,000.

But business was good, aided by the fun-seeking GIs at Nevada bases during wartime. On Oct. 24, 1942, a second hotel, the Last Frontier, opened up on the strip. The competition between the two gambling establishments boosted prices for entertainers a bit, but there were still plenty of acts to go around.

The start of the real boom can be dated from 1946, when the gaudy new Flamingo appeared. It was operated by a man whose name Las Vegas would like to forget—Bugsy Siegel. The veteran of the underworld and film society—later shot in Beverly Hills in a murder never solved—flew over a parcel of celebrities from Hollywood. The premiere show was the most spectacular Las Vegas had yet seen—Jimmy Durante, Xavier Cugat's band, Rose Marie, Tommy Wonder.

The Thunderbird appeared in 1948, followed two years later by the Desert Inn. The Sahara and Sands came in 1952, and that's when prices for top stars started skyrocketing.

The lid blew off in 1955 when no fewer than four multimillion

Quotations From Noted Americans

By United Press

WASHINGTON — Sen. Stuart Symington (D-Mo.) on the race between the United States and Russia to develop the "ultimate weapon," the intercontinental ballistic missile:

"They have fired—tested—a long range ballistic missile hundreds of miles farther than anything this country has ever tested."

NEW YORK—Former President Truman in refusing further comment on Vice President Richard M. Nixon's alleged "traitor" charge against him in the 1952 election campaign:

"What's the use of getting into a controversy with people who won't tell the truth anyway?"

MIAMI BEACH — Actress Gloria De Haven in denying rumors that a Texas oilman was giving her \$10,000 automobile:

"Heavens, I hardly know the man. This is most embarrassing."

WASHINGTON—Sen. A. Willis Robertson (D-Va.) in urging that Congress notify the Supreme Court's de-segregation ruling:

"When the 14th amendment was adopted, for the protection of those who had been slaves, no one in Congress or in any of the states which ratified the amendment suggested it was intended to take from the states their control over public education."

dollar hotel—casinos opened their doors and one of the pioneers renamed the New Frontier, was completely refurbished.

Liberace appears to have won the top salary. But Mario Lanza was set for three weeks at the New Frontier at \$50,000, backing backing out minutes before show time. Betty Hutton reportedly earned \$100,000 for three weeks at the Desert Inn. Bty Grabl and Royal Nevada at \$37,500 a week, but the place folded before they could collect.

Of the four hotels that opened in 1955, two—Royal Nevada and Moulin Rouge—are now dark and one—The Dunes—is only renting rooms, having closed its casino and night club.

But top entertainers can still draw fantastic salaries. Here are some of the weekly paychecks: Martin and Lewis, \$25,000; Maurice Chevalier, \$27,500; Frank Sinatra, \$25,000; Lena Horne, \$22,500; Donald O'Connor, \$20,000; Marlene Dietrich, \$20,000; Kay Starr, \$25,000.

Some of the biggest money-makers here do not play the big rooms. Good musical acts are paid fancy prices to perform in the lounges alongside the casinos. The Sahara pioneered this field, bringing in such names as Artie Shaw, Cab Calloway, Louis Prima. Prima and his wife, Keely Smith, are a prime example of how Las Vegas can reward talented people. Terrific performers for the late-hour gamblers, they have been booked for 40 weeks at around \$5,000 a week!

So you can see that Las Vegas does pay off—for performers, at any rate.

ARE HEIRLOOMS IN FASHION

By Claude Byrd

I suppose that's like asking if sentiment is in fashion any more. I remember when virtually every home had one or more heirlooms—things that had been handed down through the years from grandmothers to their daughters and then to their daughters.

Somehow we never seemed to think of men cherishing heirlooms. It was always the women-folks. And how they loved them! An old ring or pair of earrings or maybe a watch that grandmother wore on her wedding day years and years ago.

Actually heirlooms are just as much "in style" today as ever. But maybe you don't think about it that way. Let me give you an idea. When you come here and select a ring, a bracelet, a watch or perhaps a set of Sterling silver for your family, it will be "passed down" to your loved ones and will be mellowed with age and sentiment.

I am taking this opportunity to invite you to come in and see our "heirloom jewelry". It is really beautiful. You can select anything you like, knowing that it is of Sterling character and craftsmanship—and happily you can pay for it on the easiest of terms if you desire.

Start your "heirloom remembrance" today. It will be one of the most satisfactory investments you have ever made.

Kiwanians Hear Talk On Genetics

The Prescott Kiwanis Club met in regular session on Thursday evening at the Broadway Hotel.

Russell Moberg introduced Roland Schenke, superintendent of the genetics department of the Cross-Lumber Co., at Crossett, who gave an informative talk on "Genetics and Trees."

Mr. Schenke told of his trips to Alaska in 1932 and 1955 to study deglaciated areas of vegetation and showed slides of different stages of vegetation.

Other guests were D. K. Bemis, Burrell Whitmarsh and Jim Yancey.

W. C. T. U. Meets With Mrs. S. O. Logan

The February meeting of the W. C. T. U. was held on Thursday afternoon in the home of Mrs. S. O. Logan with Mrs. Paul Koslosky and Mrs. C. A. Wynn hostesses.

Mrs. Burke Shelton, president, presided. The meeting was opened with the song "O Master Let Me Walk With Thee." Mrs. L. C. Gatlin led in prayer and gave an impressive devotional on "Road Marks."

The salute to the flags, United

States, Christian and Temperance was given. Mrs. Logan read a message from the National President.

The month of February is dedicated to the memory of Frances E. Willard. Mrs. J. B. Hesterly reviewed different phrases of the life of "The Unconquered Queen - Frances E. Willard." Mrs. Hesterly called attention to the fact that her statue is placed in the rotunda at the National Capitol and displayed a picture of it.

The meeting closed with the Aaronic benediction.

Russian tea and sandwiches were enjoyed by the members.

A Tribute -- Our American Legion

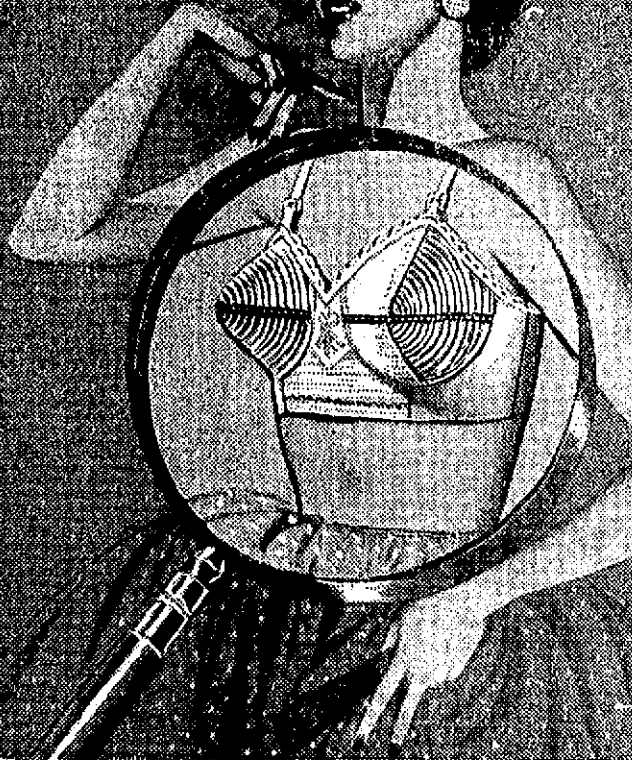

VALOR, said one of the great philosophers, is something lightly remembered. Is that true here in this town? We don't think so. We remember. We remember the faces and figures of our boys who marched away for World War I... and our lads who donned uniforms for World War II. The American Legion is a fraternity of these men who, when the occasion arose, took up arms in OUR defense. Do THEY remember? Most certainly. They remember everything they and their buddies went through; and now with their regular meetings at the Post, they glory in the fact that they constitute one of the greatest, most influential forces for good in our nation. All hail our heroes who proudly wore the Blue and the Khaki!
